Issue; 32

Welcome back! We hope you had a good Easter. We have had a good few weeks off due to the late Easter and then straight into May holidays. Some of us have now started some open water training and our dates for this year are below. It is always a great opportunity to test your skills outside of the pool! **Richard**

Club Annual General Meeting

This year's meeting will start at 6pm on the 9th June. All welcome as this is a review of the last club year including our finances. We also present a couple of awards for both Rookies and Survive & Save. Normal classes follow about 6.30pm.

Classes Update

The class has been working between Bronze Core, for the newer members, and Silver, with Olivia and Zaff starting Gold. Thanks to Sally for supporting as she starts her trainer qualification. Well done all!

Our class has the youngest Rookies. Although young, they are racing through the Bronze awards, some achieving their Bronze 1 in just a few weeks of joining! This term we will be working towards Bronze 2 and 3.

Rhys is pictured as he stood in for Jonathan and Terry (nice to see him back). We have thoroughly enjoyed teaching this group and are proud of how they are doing and hope it continues that way 😊 Jonathan

Hemsby

2019

You still have the chance to book in for our annual club camp at Hemsby. Ask Sarah for a form and *book quickly!*

28th – 30th June

Thank you Terry

After supporting the club for a number of years Terry has decided to have a rest on a Sunday night! We would all like to thank him for his time and commitment to the club and wish him well! Best Wishes Terry

Classes Updates...continued

The class has just completed the Communications award for which everyone has put in a lot of effort!! We are currently working on Rookie Lifeguard Bronze level 3 which we will complete in the next couple of weeks before moving onto the Silver award. Diving is our next challenge and we are hoping to complete this by the end of the Summer term. Everyone is working very hard and working well as a team, they are beginning to look after each other and this will help develop the skills they need to progress quickly.

Richard's older group have now all passed Gold S&S – Jack, Peter, Ella, Zoe, Erin, Abbie, Dan, Nat, Molly and Charlotte. Well Done to you all!

The newer members of the group are working hard and are about halfway through their Gold - Cameron, Amy, Grace, Ciara, Scarlett, and Naomi.

The senior Rookie class members have all recently achieved their Silver 1 awards as well as the Communications and Diving Bolt on awards. Over the next few terms they will be aiming to achieve the Rookie Life Support award and aiming high for one of the Rookie Gold awards. Those who will be attending club camp or the open water sessions at Felixstowe will also have the opportunity to take their Beach Activity awards.
