Whilst Christmas seems a while ago now, we did manage to hold our Christmas Cracker competition on the last night of term. Due to circumstances we weren't able to bring the whole club together as normal so we had two events! Both Rookies and Survive & Save groups enjoyed games from 'Get Santa's hat back' - the hat relay, 'Reindeer pull', 'Clear Santa's workshop', 'Sleigh ride', 'Get Santa's drink' and 'Santa's boot' across the pools. For the Rookies, Nigel was very enthusiastic in 'helping his team', the Crackers but without success as they finished 4th! In 3rd was 'Present thieves', 2nd 'The best Brussel sprouts' with 'Presents' winning for the Rookies. I think the Survive & Save were more enthusiastic than the Rookies and the 6 teams hopefully had fun in the 6 events. Our winners were 'Jack's Elves' with 2nd 'Team Julian', 3rd 'Sylvester' – not very festive! 4th 'Its Christmas' with 'Elf & safety' and 'HoHoHo' 5th & 6th respectively. Our thanks to everyone for supporting and helping run the games which Rick sorted out.

Team 'Presents'

Jack's Elves

Club Camp is Back for 2022

Hemsby 8th – 10th July

We have sent an email out already (flyer to follow), but this is such a great family weekend we want as many club members as possible to join us! Everyone gets involved in the games, the lifesaving and of course the food & drink! Beach games including tug of war, flags and out in the water for rescues, body boards throughout the 2 days. Back at the campsite for rounders and games and plenty of food & drink, including a free club BBQ on the Saturday. A great opportunity for toasting marshmallows on a beach fire, and maybe some songs?

Details from Sarah on the desk

Events/Diary Dates;

Half term break – Back on the 27th February

Last club night before Easter – 3rd April, back 1st May

Club Camp 8th-10th July – book early
